

MICHELLE BRIDAL

2021 *Collection*

Designer's Note

My inspiration for the
2021 Michelle Bridal Collection
came from the legions of love songs that
never cease to tug at our heartstrings.

Whether a moody, melodic ballad, a
toe-tapping Broadway show tune or a wistful
rhythm and blues duet, love songs
forever evoke emotions revolving around
romance and relationships.

In that spirit, I named each gown after
a legendary female vocalist whose
performances of love songs
make me laugh or cry.

I hope you can recognize one of your
favorite singer's names in our collection of
romantic dresses designed to effortlessly
fit and flatter your fashion-savvy curvy brides.
